Make your choice for Jesus

At the end of his message Sunday, Pastor Jeff will invite all of us to record the decisions we are making to take our walk with Jesus to the next level. A link to an online decision card will appear in the chat, watch for it and please let us know what decision each person at your location made by filling out a card for everyone separately. We want to celebrate with you and pray for you. If you miss the link in the chat, you can click here for the decision card.
